General information

Grant call ID	ENERGY201706	Opening date	26-Jun-2017 12:00 AM
Multiple submission	Yes	Closing date	01-Jan-2018 07:59 AM
Grant call title	Call for Proposals under the Energy Resilience Grant Call		
Description	This grant call aims to catalyse applied research and development (R&D) in industry-relevant areas which would improve the resilience of Singapore's cyber-physical power systems and energy markets, through the use of technologies such as big data, artificial intelligence and machine learning. The Energy Programme Office (EPO) invites White Papers for R&D projects to be submitted for consideration towards funding.		
Maximum project duration	60

Apply proposal

All information is treated in confidence. The information in this application is furnished to the funding agency, with the understanding that it shall be used or disclosed for evaluation, reference and reporting purposes. All information provided in this application must be true. False particulars or wilful suppression of material facts will render the applicant liable to disqualifications, or, if awarded, to withdrawal and/or appropriate legal proceedings.

Please choose the application category, whether the proposal is a new submission, resubmission of application, or renewal of project.

5 **New Submission**
The proposal is a new application which was not submitted or rejected previously.

* Title of research project

6 **Renewal Application**
The proposal is an extension of previous approved project, with additional funding.

7 **Resubmission of Application**
The proposal is a resubmission of an application rejected in previous calls.

Next >

5 New Submission: When submitting a new proposal, key in the title of the research project and click on **Next** at the bottom of the page

If the white paper is approved and you are trying to submit a full proposal, do not follow this flow. Please refer to PI training slides for more details..

6 Renewal Application: When submitting a renewal application, key in the proposal ID and click on the magnifying glass. The system would search and display the awarded proposal. If there are no results, key in the proposal ID and click **Next** at the bottom of the page

Do note that data from 2010 onwards would be available in IGMS, so you may not find older proposals

7 Resubmission of Application: When re-submitting a rejected application, key in the proposal ID and click on the magnifying glass. The system would search and display the rejected proposal. If there are no results, key in the proposal ID and click **Next** at the bottom of the page

To save proposal as a draft, click on **Save as Draft**

Accepting Letter of Award

If your proposal is awarded funding, here's how you can accept the award. Please refer to PI training slides if you would like to reject an award

The screenshot shows the IGMS navigation menu with 'Proposals' selected. A dropdown menu is open, showing options: 'View Current Proposal Submissions', 'View Draft Proposals', 'View Awarded Proposals', and 'View Non-Awarded/Rejected proposals'. The 'View Current Proposal Submissions' option is highlighted with a red box and labeled '12'. Below the menu, a table of proposals is visible. The first row is highlighted with a red box and labeled '13', showing '88MC1-0005' as the Proposal ID, 'name - 88MOHC1' as the Grant call title, and 'Shang Dong - Test again' as the Title of research project.

12 Click **Proposals** and then **View Current Proposal Submissions**

13 Click the hyperlink under **Proposal ID**

The screenshot shows the 'Award' section of a proposal. The 'Award' tab is highlighted with a red box and labeled '14'. Below the tabs, a table shows the award details. The first row is highlighted with a red box and labeled '14', showing 'ASTR-000017' as the Award number, 'Due date for acceptance' as the Due date for acceptance, 'Accepted / rejected date after due date' as Accepted / rejected date after due date, and 'Pending Acceptance' as the Award status.

14 Go to the **Award** section and click the hyperlink under **Award Number**

The screenshot shows the 'Letter of Award and Letter of Acceptance' tab highlighted with a red box and labeled '15'. Below the tabs, a text box contains the instruction: 'Please review the information on the Letter of Award and Letter of Acceptance below. Click the [here](#) to download the Letter of Award.' The 'here' link is highlighted with a red box.

15 Go to **Letter of Award and Letter of Acceptance** tab and click **Here** to download the letter of award
